SUN VALLEY

SOCIAL MEDIA

Conversation has never been easier!

BLOG [Flower Talk with Lily](#): Topic by topic we go in-depth and share facts, figures and tidbits about our fabulous flowers and farms. Enjoy the details!

TWITTER Let's chat: On the fly posts and pictures. Are you following us? #LetsTalkFlowers

eNEWSLETTER THE HORIZON Stay informed: A monthly look at what's on our horizon – hear from Lane, what crops we are planting, learn about our team and the floral community.

PINTEREST See and share: We are "bookmarking" floral content around the web. Have you seen the amazing inspiration there?

LINKEDIN Connect: Utilize the world's largest professional networking site to promote the business of flowers and foster community in our industry.

FACEBOOK Join us: Interact with us – what do you do with flowers, how can we help you, what are you interested in? Share our stories and photos.

YOU TUBE Watch and discover: See what makes our farms and our flowers different. Enjoy seeing crops grow in the fields and the greenhouses. Take our video field trips!

INSTAGRAM Share: Ideas, inspiration, and the inside scoop from our farms.

There are many ways to communicate! How do you like to connect?

We are bringing you stunning visuals and great stories about our uncommon flowers, fields, team and farms. A dedication to excellence is pervasive at Sun Valley and we'd like to show you.

Drop on by and chat, or just watch and listen. We're here for you!
